

Dear PRC Prayer Partners,

Please join us in thanking God for what He has accomplished and praying for His guidance and blessing upon our clients and staff in the future.

Below, please find specific praises and prayers organized by topic.

Items **listed in red** are recent additions or updates to the below lists.

Items **underlined and in blue** are links which lead to additional information.

## **Client & Medical Services**

### **Praise**

- God brought **712** clients to our center in 2018! (**3rd best; 4th year in a row of serving at least 700 clients**)
- Our three registered nurses who began their training in ultrasound in early December, **are now in the 2nd week of their hands-on stage, and God has already provided the needed funds to accomplish this.**

### **Prayer**

- Each of our counselors, facilitators, and mentors will be equipped to share the Gospel and life-affirming messages effectively.
- God will equip and strengthen each of our employees and volunteers as we engage in the spiritual battles that swirl around our clients & center.
- God will draw to our center **facilitators** for **Pathway to Hope** and continue to draw clients into this vital program.
- More fathers will utilize our **Stepping Up** (father mentoring) program.
- We will be able to offer the **Abortion Pill Reversal** protocol in 2019 at the PRC even as we grow our network of Utah doctors who are willing to do the same.

## **Utah County Satellite Center**

### **Praise**

- **102%** of the startup costs and a great start for raising funds to cover the additional operating expenses.
- Two Utah County churches have committed to monthly donations to cover the additional operating costs.
- Two Registered Nurses have stepped forward to volunteer at the UCSC, and only one needs certification.

## **Prayer**

- We need **volunteer** peer counselors, receptionists and registered nurses to apply immediately so that we can begin their training which will be needed before we can open the doors.
- Renovations and purchasing of furniture, equipment, materials, etc. will all come in under budget.
- The governmental inspectors will be accurate and fair in their assessment of the work done by our general contractor and the sub-contractors.
- Individuals, business, etc. will donate good quality equipment, furniture, materials, etc. for the satellite center.
- Individuals, churches, businesses, etc., especially from Utah County will partner with us to cover the increased annual operational costs.

## **Personnel**

### **Praise**

- For the team of employees & volunteers that God has knitted together!

### **Prayer**

- God will bring us an additional part-time Registered Nurse **employee** for our SLC Center.
- We need volunteer peer counselors, group facilitators, father mentors, and a receptionist to apply immediately so so that we can begin their training which will be required before we can add operational hours at our SLC center.
- Additional qualified **Board Members**.

## **Abstinence Education (Reality Check)**

### **Praise**

- Even without a contract for the new school year, and thus secured funding for the program, our presenters still taught and maintained relationships with school partners through the First Semester.

### **Prayer**

- Our application to receive federal Title V Sexual Risk Avoidance funding was turned down by the the *Salt Lake County Health Department*, despite having a banner year in 2017-18 and receiving this funding in the previous 8 years.
- **New funding sources can be found to make up for the loss of this large grant.**
- We will be able to teach in Canyons School District in the 2018-19 school year.
- We will be able to lovingly and wisely work with those who disagree with our worldview and have supervisory authority over us.

## **Finances & Fundraising**

### **Praise**

- Responses to our Annual Appeal not only surpassed our budgeted amount of \$18K but even our Goal of \$20K, as God blessed us with over **\$27K** raised!

- *Baby Bottle Campaign* in 2018 surpassed the **\$60K** mark!

### Prayer

- We will be **good stewards** of God's provisions!
- We will have a sense for God's leading as we make logistical plans for our various fundraisers and for annual budgets.
- Individuals, churches, businesses, etc. will respond to God's prompting to become or return as financial supporters, or to **increase their current support**.

## Material Resources

### Praise

- Hundreds of individuals and dozens of churches continue to donate material resources for our clients within the *Life Steps* program.

### Prayer

- Individuals, churches, etc. will continue to donate material resources and/or services and to volunteer at our center to assist with processing these materials.
- Small groups from churches, civic organizations, etc. will volunteer for a 2-3 hour session to assist with pre-sorting material resources.
- **More individual volunteers to help with processing material resources can be secured.**
- We can move forward with internal renovations at our center to better accommodate our clients and staff.

## Additional Prayer Requests

- That God would allow for mild weather during the *March for Life Utah* and draw a large crowd to participate at this year's event.
- That Utah Legislators during the 2019 Legislative Session will pass bills that uphold Biblical values and defeat those that work against such even in the midst of growing antipathy and even antagonism towards God and His standards across our nation and within our state.
- God will bless and use in mighty ways the other pregnancy centers throughout Utah, our nation, and across the world. There are 7 faith-based pregnancy centers in Utah, including in Salt Lake City, Park City, Roy, Brigham City, Logan, Moab, & St. George.
- Also, there are two groups in **Tooele County** and in **Carbon County** that are attempting to start centers.

Thank you for your continued prayers for our clients and center!
